LED UTILITY BARS

5-Watt / Single Row

ECCO's 5-Watt Single Row utility bars offer long, maintenance-free life expectancy, low amp draw, and extremely bright white light output. Available in a range of available lengths, each with a choice of two mounting options, these bars are an ideal choice for both commercial and recreational applications. Features include 12-24 VDC operation; 5-watt LEDs; flood, spot, or combination beam patterns; aluminum housing; polycarbonate lens; IP67 rating; and a 3-year warranty.

Features and Benefits

- High-intensity beam
- Flood, spot, and combo beams
- Tilting pedestal or tilting surface mount options
- Aluminum heatsink housing
- Polycarbonate lens
- IP67
- Warranty: 3 years
